Total closure of NE 116th Street under I-405 this weekend for bridge demolition

Northeast 116th Street where it crosses under I-405 will be closed to all traffic, including pedestrians and bicyclists, from 11 p.m. Friday, April 21 until 4 a.m. Monday, April 24. The southbound I-405 on-ramp and northbound exit at NE 116th will remain open. On Saturday and Sunday mornings, expect single right-lane closures on northbound and southbound I-405 near NE 116th.

Signed detours will be in place for this street closure. View our [NE 116th closure fact sheet](#) (pdf 190 kb) for detailed information and a detour map.

This closure is the first of up to four weekend closures over the next 18 months that are necessary to demolish and rebuild the I-405 bridges over NE 116th. This is part of the freeway widening under WSDOT's [Kirkland Nickel Improvement Project](#). We'll alert you to future closures in our e-mail updates.

Other traffic closures on I-405 in Kirkland this week

Tomorrow night (Thursday, April 20) crews will close up to three lanes on northbound I-405 from NE 85th to NE 132nd for work on the Kirkland Nickel and Totem Lake Freeway Station projects.

Expect closures of up to three lanes on southbound I-405 between NE 132nd and 124th streets every night except Friday night. Expect nighttime closures of various on- and off-ramps at the NE 124th interchange this week. In addition, expect daytime lane closures on Totem Lake Blvd. near NE 128th. These closures are necessary for work on the Sound Transit-funded Totem Lake Freeway Station Project.

WSDOT talks with Kirkland businesses next week

Members of WSDOT's I-405 project team will attend the Kirkland Chamber of Commerce's second quarterly [Totem Lake Business District Coffee Meeting](#) on Thursday, April 27 at 8 a.m. at Costco Home. We'll give updates on project progress and answer questions about how our upcoming construction may affect traffic in Totem Lake.
